DETAILED ACTION

Allowable Subject Matter

1. Claims 1-5, 7-13, 15 and 19-26 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The reason for allowance of claims 1-5, 23, and 24 is the inclusion therein of the limitations that of a cavity of an encapsulating cover has a circular polarizer placed therein, the circular light polarizer located between the encapsulating cover and an array of OLED elements. As for claims 7-13, 19-22, 25 and 26, the encapsulating cover is a flat plate, and is attached to the substrate of the device by attachment means, and the circular light polarizer is located between the encapsulating cover and an array of OLED elements. As for claim 15, similar to claims 1 and 7, there is a circular polarizer between an array of OLED elements and a cover, and a material located adjacent to the first surface layer of the circular light polarizer has a refractive index matched more closely than air to the refractive index of the first surface layer of the circular light polarizer.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
